

Enjoy Yourself

Louis Prima

[Chorus]

^F
Enjoy yourself, it's later than you think
^{C7}
Enjoy yourself, while you're still in the pink
^F ^{Bb}
The years go by as quickly as a wink
^{Bb} ^F
Enjoy yourself, enjoy yourself
^{C7} ^F
It's later than you think

[Verse 1]

^F
You're gonna take that two week trip
^{C7}
No matter, come what may
^{C7}
But every year you put it off
^F
You just can't get away
^F
Next year, for sure, you'll hit the road
^{Bb}
You'll really get around
^{Bb} ^F
But how far can you travel
^{C7} ^F
When you're six feet underground?

[Chorus]

[Verse 2]

^F
You never go to nightclubs, and
^{C7}
You just don't care to dance
^{C7}
You don't have time for silly things
^F
Like moonlight and romance
^F
You only think of dollar bills
^{Bb}
Tied neatly in a stack
^{Bb} ^F
But when you kiss a dollar bill
^{C7} ^F
It doesn't kiss you back

[Chorus]

[Verse 3]

^F
Now you love lasagna very much
^{C7}
You like to eat and eat
^{C7}
You won't eat cucuzza
^F
You're afraid it'll break your teeth
^F
You always think you may bite off
^{Bb}
More than you can chew
^{Bb} ^F
Don't be afraid you won't have teeth
^{C7} ^F
When you reach ninety-two

[Chorus] x2

[Outro:]

^{Bb} ^F
Enjoy yourself, Enjoy yourself
^C ^{C7} ^F ^{F6}
Don't be a fool
